If you did not receive an application or have questions filling out the application, please call the school at 836-2273. Families may apply any time during the school year. As required by law, all information is completely confidential.

Student Handbook: Both parents and all students in the family who are in school, should sign the form included with the handbook. High School students will be required to return all completed paperwork before being allowed to take their chromebook home. Paperwork will be handed out on the first day of school to the youngest child in your family. All paperwork must be received by Friday, August 16th.

School Insurance: Students will be also be receiving insurance forms the first day of school explaining the 24-hour, school-time, dental, life, and football coverage. If you would like to be covered under this policy, please send the application with the premium money to the address they provide. Coverage starts on the day your check is received. **All checks must be made out to: Student Assurance Services, Inc.,** The **WAIVER FORM** needs to be returned to the school. High School students will be required to return all completed paperwork before being allowed to take their chromebook home.

Chromebook Loan Agreement and User's Fee:

The computer loan agreement will be part of the pack of forms and information that you receive from the school. Parents are to read and sign the agreement if you wish to have your student or students have the use of a computer in and out of school. This would be a great time to talk to your student about your expectations while they are online. Students will read and go over their part of the agreement with Mr. Keeney the first day of school; they will also sign the agreement if they would like to use the school's computer during the school year.

There is a \$25 user's fee for all computers and chromebooks that are issued to students. This fee will cover the use of a computer for one school year.

Callaway Public Schools has purchased software which will allow the Chromebooks to be filtered and monitored 24 hours a day. Classroom teachers will also be able to monitor the use of Chromebooks in their classrooms.

Bus Notes: Students not on regular routes who will be riding the bus, students transported to another stop, or town students wishing to use the school transportation must turn in a written note, from their parent or guardian, to the office to be approved prior to the time transportation is needed. Students, who do not have a note, will not be able to ride. This is in compliance with state law and school policy

Locked Doors: For the Safety of the students, the School Board decided to leave all doors locked during the school day except the office doors on the west side of the building. All visitors are required to check in at the office.

Activity Passes: Activity passes will be available for the 2019-20 sports season. The cost will be \$20.00 for a student pass, \$40 for an adult pass, and \$80 for a family pass. The pass will admit you to all Callaway/Arnold HOME Volleyball, Football, Basketball games, and South Loup Wrestling meet. The pass will not be good for any tournament games or track. Regular admission for sport activities for students will be \$3 and adults \$5. South Loup senior citizens passes are also available free of charge. Please stop in at the school for a pass.

Asbestos in the School: This notice is being written to inform you that our school district does have a limited amount of asbestos. The asbestos is located in the Jr.-Sr. High school and in the elementary building as well. The asbestos is located on thermal pipe elbows and thermal pipe joints in the gym and the locker room areas. The hot water holding tank in the boiler room has a covering that contains asbestos. All the areas mentioned are covered and in good shape. The building has been inspected and a management plan to contain or remove the asbestos has been developed and sent to the Nebraska Department of Health. The school district will go through another inspection this year to determine the condition of the asbestos as to this date. If you should have more questions concerning the asbestos plan, please feel free to discuss your concerns with the Superintendent. The asbestos management plan is located in the central office.

Student Absences: To help insure the safety of the students, we are asking all parents, **to please call the school office when he/she will be absent.** This will minimize time if something were to happen to the student on their way to school. We appreciate your cooperation.

Lost and Found: Throughout the year we get an accumulation of clothes, shoes, coats, jewelry, house keys, etc. If your child has lost or misplaced anything, please check at the main office or at the athletic office. Parents, it would also help if you put your child's name on clothing, especially coats, as we end up with an assortment at the end of the year. Any item not claimed at the end of the year, will be taken to Goodwill.
