

# Blue's News

*The Cat's out of the Bag!!*

## From the Principal's Desk

Just a few things to keep in mind as we are approaching the start of the 4<sup>th</sup> quarter: breakfast is served at school. If you wish to have your child eat, please have them get to school early enough so that they can get to class when school begins at 8:00 AM. If your child rides the bus and the bus is late, your child will still be allowed to eat breakfast. Elementary students need to be in their classrooms no later than 8:05. If they are still eating at that time, they will need to leave the cafeteria and go to class. Please also send proper outdoor attire for your child. If the temperature with the wind-chill is above 10 degrees, we will be outside.

Starting March 1st the only two entrances into the building starting at 7:30 will be the door by the main office and the main elementary doors on the south side of the building. Also, if you need to get a hold of your child please call the office and we can get messages to them instead of calling or texting them in class.

If your child has an appointment, please call and let the office know. If we are unable to answer, please leave us a voicemail. We need to have all students sign in and sign out at the main office. We do have closed campus. If you need your child to leave at lunch time, you need to come in personally sign them out. We appreciate your cooperation, especially in regards to communication with the school!

Thank you!

Mr. Birkel

## Brett Haidle Wins Award

Brett Haidle received the DAR citizen award or the Daughter of American Revolution Award. It is a Custer County competition which you have to be selected to compete in by the staff. You have to submit an impromptu essay and answer questions for this competition. All of the competitors came to Broken Bow for a reception and Brett was awarded the winner of the Custer County competition. His application will now be sent to the state for further competition.

## FCCLA Chapter makes 400 DOZEN Cookies!

As a holiday fundraiser, the Callaway Chapter of Family, Career, and Community Leaders of America (FCCLA) sold cookies to friends, family, and community members. This was a huge success as a fundraiser. FCCLA holds many fundraisers throughout the year, with this being the biggest one.

The kids had around two weeks to sell the cookies. Mrs. Walz's classes started baking these cookies in class, and then on a weekend, all the FCCLA kids came in to do the majority. Macy Rynearson commented, "It's my favorite

fundraiser because it is a fun way to raise money so us kids don't have to pay out of our pocket. It really helps us out so much." Our FCCLA team has put a lot of work into selling these delicious cookies.

There were ten different kinds of cookies available with Oreo Truffles & Peanut Butter Balls being the most popular. The cookies were prepared the last week of school before the holiday break. The funds raised will go to help offset the cost of attending District Leadership Conference, District STAR, Peer Education Retreat, and other events in the future. As a chapter, we look forward to doing this fundraiser again next winter. Mrs. Walz would like to thank all of the staff, students, and parents for helping complete this huge project!

# State Wrestling

By: Suzy Heusman

District Wrestling was in Elm Creek on February 9. At districts, there were five guys that made state. Tayten got first, Dolton D. got second. Marshal, Spencer, and Gavin got third. Overall, they got 4th as a team. State Wrestling was on February 16. Tayten got sixth at the state competition. As a team, they were 34th with 20 points. At the beginning of the season, their goal was to get some people to state. They have reached their goal and surpassed it by having five making it to state! Five is the most amount that has ever made it to state for South Loup. Congrats boys on an amazing season.

## Girls Basketball

By: Kalie Glendy

The girls basketball team had a record of 18-4. Their losses came to Pleasanton, Burwell, and Ansley-Litchfield ( who they lost to twice). The Lady Bobcats had a bye the first round of districts and played Burwell in the second round. They fell to the Lady Longhorns 35-50 to end their 2017-2018 season. They will have many returning varsity players next year and plenty of incoming freshman to have another large team next season, but they will definitely miss their three senior leaders.

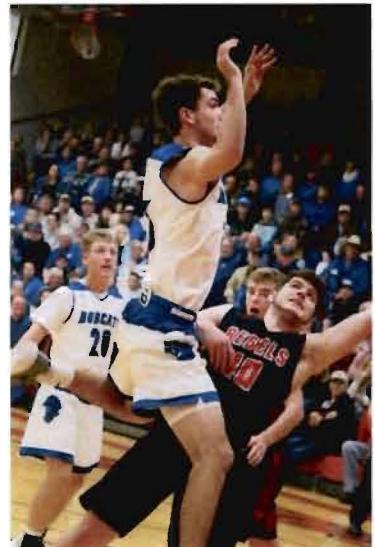

## South Loup Boys Basketball

The South Loup Boys Basketball Team has had a successful season. They ended the regular season with a record of 20-3, with their final loss being in the Sub-Districts to Arcadia-Loup City with a score of 50-39. With a chance to still make it to the Nebraska State Boys Basketball Tournament, they waited patiently to find out if they won a wild card, making it the first time that South Loup would play in the state tournament since the sports consolidation. On Monday, February 26<sup>th</sup>, they received word that their dreams would come true and they had received the wild card to play in the tournament. Kalen Dockweiler says, "We were extremely fortunate that all of the pieces fell into place the

way we needed them to too grant us the opportunity to keep our season going. Luckily, we had a good enough season to put ourselves into the position to receive the wild card." The boys will play on March 8, with the location to still be announced. We would like to wish the boys good luck at state and hope to see you all down there supporting our team.

## CALLAWAY QUIZ BOWL

The Junior/Senior High School Quiz Bowl Teams are off to a great start this season. The Junior High Quiz Bowl Team consists of Grant Hrupek, Taylor Ross, Abby Stallbaumer, Lila Bloomer, Izzy Stallbaumer, Irellyn Rosfeld and Heidi Donegan. As a team, they placed 3rd at the MNAC Quiz Bowl in Merna.

The Senior High School Quiz Bowl Team consists of Carson Mason, Isaac Stallbaumer, Dalton Kunkee, Calyn Liable, Dane Rynearson and Eddie Berger. They recently competed at Broken Bow in the Custer County Quiz Bowl Competition. While competing there, they were able to bring home the 1<sup>st</sup> place trophy.

We would like to wish them all good luck and say congrats on their hard work!

## **MNAC ART**

By: Taylor Conroy

The Callaway Art students did extremely well at the MNAC art show held in Broken Bow on January 27th. There are sixteen schools in the MNAC Art Conference and we came home with 2nd place. There are fourteen categories to send art in and each school is allowed to send up to five pieces for every category. Kaitlyn Pflaster received 1st place and Brittany Ellison 3rd place in Colored Drawings. Andrew Harrison received 1st place, Dalton Kunkee 3rd place, and Lucy Kimball 5th place in the Three-Dimensional Category. Brittany Ellison received 2nd place and Lucy Kimball 3rd place in the Printmaking Category. Marshall Still received 2nd place and Addie Hild 3rd place in the Mixed Media Category. Honorable mentions were given to Spencer Johnson in Acrylic Painting, Laney Willis in Textiles, Matti Stout in Textiles, Brittany Ellison in Colored Drawing, and Cheyney Loper in Colored Drawing. In the junior high category, Izzy Stallbaumer and Taylor Ross also received honorable mentions.

All of the first place finishers are currently on display at the Wild Rose Gallery in Broken Bow. There will be a public reception March 3rd from 3 to 5 p.m. After the reception, the student show will be taken down.

Congratulations art students!

## *Speech*

By: Matti Stout

The Callaway Speech Team has had a great year. So far, they have competed at Broken Bow, Ord, Gothenburg, and Loup City. At these contests, they have won numerous superior ratings medals and even took home the Small School Champion Trophy at Gothenburg. I went in and talked to the speech

coaches and asked what their overall thoughts on the season were. "I think speech has gone really well. With this being my second year, I went in really confident and realistic with my expectations," says Coach Suzi Campbell. The speech team has put a lot of work and effort into their speeches and posters. Both the coaches said they were looking forward to seeing the students hard work pay off at conference and district speech. In the upcoming seasons, the coaches are looking forward to new faces, new materials, and seeing success among the students.

## CALLAWAY FCCLA CELEBRATES FCCLA WEEK

The Callaway Chapter of Family, Career, and Community Leaders of America (FCCLA) celebrated FCCLA week February 12-16. This year's focus was to recruit, retain and recognize. Signs filled the hallways promoting FCCLA and the events for the week. FCCLA member were encouraged to wear their District shirts and received root

beer floats in recognition of membership on Monday. Nebraska State Officer, Hannah Pearson, talked with members and students interested in joining FCCLA about the awesome opportunities that are currently available. All students were encouraged to post their future career goal, guess the amount of candy in a jar to win, and participate in the canned food drive. Students, members and staff were thanked at the end of the week for making our FCCLA chapter and school awesome to show our appreciation! As a chapter, Callaway FCCLA collected 39 non-perishable goods and \$11.

## 11 Compete at District STAR

Callaway FCCLA had 11 members compete at the District 10 STAR Competition on January 31, 2018. This year, the top two groups in each event qualified for state. The day was very successful with all 11 members qualifying for State Leadership Conference which will be held in April in Lincoln. Placing is based on a rubric score out of 100 points with a gold earning 90-100, silver earning 70-89, and bronze earning 50-69. Here is a list of the students, events, and placing:

Top Gold

Addie Hild – Recycle and Redesign, Sr.

Sophia Doyle, Emalee Glendy, and Caitlyn Neufeldt – Food Innovations, Jr.

Top Silver

Sami Stowell and Lucy Kimball – Sports Nutrition, Sr.

Runner-up Gold

Wryleigh Doyle and Brittany Ellison – Food Innovations, Sr.

Runner-up Silver

Irelyn Rosfeld – Life Event Planning, Jr.

Brandi Coons and Macy Rynearson – Advocacy, Jr.

## It's *Quilt* a Good Day!

By Ryan Dickman

The 4th graders had a special Nebraska History Day on February 1st, but this time around, there was a twist! What could it possibly be? The 4th grade had the Custer's Last Stitch Guild come and teach the kids with QUILTS! During the presentation, the quilters talked about Nebraska history and Nebraska symbols by using what was found on the quilts they had made. In my personal opinion, it was *quilt* a good show!

## New Lunch Lady

By: Cheyenne Bunch

Name : Jessica Miller

Where did you go to college? I am doing an online college at this moment with Mid-Plains College and studying Management, Business and Administration.

What was your job before you came here? I was the Subway manager in Broken Bow, NE.

What is your favorite part of the job? My favorite part is working with the students, of course. What do you like to do in your free time? I enjoy hanging out with my kids, playing cards, going camping, skiing, and go swimming.

Are you married? No, but I am engaged.

Do you have kids? I have three biological and three step-children.

Where were you born? I was born in Cozad, NE

Welcome Jessica and we are glad to have you!

# Bobcat of the Month

By Suzy Heusman

“Aubrie always tries to model good student behavior. She works very hard in all subjects and is a leader and role model for others. Aubrie is very kind and respectful to other students and staff. Her hard work ethic is outstanding.”

~ Mrs. Rush

“Emma is a wonderful hard worker. She is always happy to share anything her classmates need, including her time. Her smile lights up second Grade”

~ Mrs. Bishop

“John is always polite whenever I see him. He greets me with a friendly “Hello” and always tells me to have a good day. I also see him being very kind to other students in the morning outside my room.

Way to go, John!”  
~ Miss Ord

## Senior Spotlight

### Lucy Ann Kimball

**Parents:** Duane and Carla Kimball

**Favorite high school memory:** Cheering at Memorial Stadium

**Favorite quote:** "Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves. For my yoke is easy and my burden light." Matthew 11: 28-30

**Favorite food:** homemade chicken fried steak with mashed potatoes and gravy

**Best advice you parents gave you:** "Put in the hard work and put forth the effort."

**Favorite book:** The Great Gatsby

**Birthday:** February 23, 2000

**Extracurricular activities:** Cheer, Speech, One Acts, Track, 4-H, and Art Club

**What do you do in your spare time:** Watch Netflix, listen to music, and waste money on food and clothes

**Future plans:** Attend UNL to major in Food Science and possibly a minor in business. Eventually I want to return to the area and own a vineyard and winery

**Favorite type of music:** country, pop, and Christian

**Favorite TV show/Movie:** Friends, Pretty Little Liars, and Save Heaven

**What did you want to be when you were little:** Teacher and a Mary Kay salesperson

### Spencer Johnson

**Parents:** Heath and Lindsey Johnson

**Favorite high school memory:** When I got Haylea to say "Underwear" in class..... this year.

**Favorite quote:** "If you're good at something, never do it for free."

**Favorite food:** Mac & cheese

**Best advice you parents gave you:** "If you're good at something, never do it for free."

**Favorite book:** the one I'm currently writing. Release date:

TBA

**Birthday:** March 19, 2000

**Extracurricular activities:** One-Acts, Basketball, Track

**What do you do in your spare time:** I'm usually with the bros. If not, I'm probably in Kearney with Bertrand girls or in North Platte playing Fortnite.

**Future plans:** To attend Mid-Plains Community College and receive my general education credits. Thereafter, I will transfer to a 4 year institution to complete my bachelors!

**Favorite type of music:** Hip/Hop

**Favorite TV show/Movie:** That 70's Show and Shawshank Redemption

**What did you want to be when you were little:** To be famous

THE LATEST NEWS & INFORMATION FROM BOX TOPS FOR EDUCATION | MARCH/APRIL 2018

## KEEP ON CLIPPING!

Our school is trying to earn enough Box Tops to buy

Technology for our classrooms

Remember to check your Box Tops' expiration dates and make sure the product codes are clearly visible. Expired Box Tops or ones without complete product codes can't be accepted.

Return this collection sheet to:

Mrs. Cooksley - 6th Grade

By (DATE):

April 1, 2018

## EARN BONUS BOX TOPS WHILE YOU SHOP

Turn everyday receipts into extra cash for your school with the Box Tops Bonus App. It's free and so easy to use!

Learn more at [BTFE.com/BonusApp](http://BTFE.com/BonusApp)

Thank you for helping! Clipped Box Tops are each worth 10¢ for your child's school. Bonus certificates should not be attached to this sheet - please submit them separately. Remember to check the expiration dates on your Box Tops! If they're expired, don't send them to school; expired Box Tops cannot be accepted. To see more ways to earn cash for your child's school, go to [BTFE.com](http://BTFE.com). See more collection sheets at [BTFE.com/collectionsheets](http://BTFE.com/collectionsheets).

# Recipes for Success

Practical Activities to Help Your Child Succeed

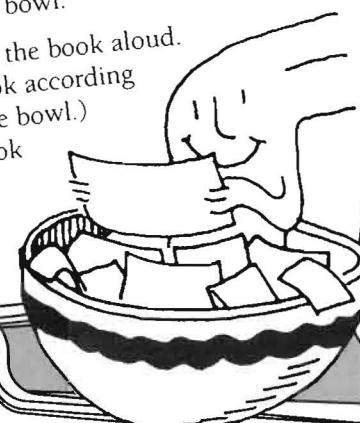

## READING Pass it on

Everyone in the family takes a turn reading with this fun activity.

**Ingredients:** storybook, paper, pencil

Choose a book the entire family will enjoy. Then, brainstorm 15 instructions with your child. Examples: Pass to any other reader, sing a song while passing to your left, pass to your right while standing on one leg. Write each instruction on a slip of paper, and put the slips in a bowl.

Next, pick someone to read the first page of the book aloud. That person draws a slip and passes the book according to the instructions. (Return used slips to the bowl.) Continue drawing slips and passing the book until you finish the story.

## MATH A cup full of change

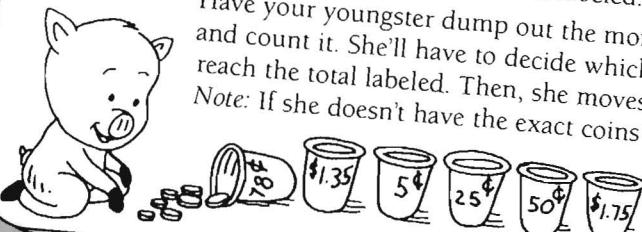

Adding up coins will give your youngster practice in remembering the value of each one.

**Ingredients:** six paper cups, marker, loose change

Label each cup with a random dollar amount. For a younger child, you might use values ranging from 5 cents to 25 cents. For an older one, you could make amounts more challenging, say, 78 cents or \$1.35. Next, place various coins into each cup—always going over the amount labeled.

Have your youngster dump out the money from the first cup and count it. She'll have to decide which coins to put back in to reach the total labeled. Then, she moves on to the second cup.

*Note:* If she doesn't have the exact coins she needs, she can wait to get extra change from the other cups.

## SPELLING Picture this!

Your child can practice spelling and phonics by making these spelling pictures.

**Ingredients:** spelling list, old magazines, scissors, paper, glue or tape

Let your youngster cut out magazine pictures that start with an apple, and a train. Have him glue the pictures on a piece of paper and write each letter of the spelling word under the pictures.

*Variation for older children:* Glue the pictures on separate pieces of paper. Then, scramble the pictures for letters that spell a word and have your youngster put them in order.

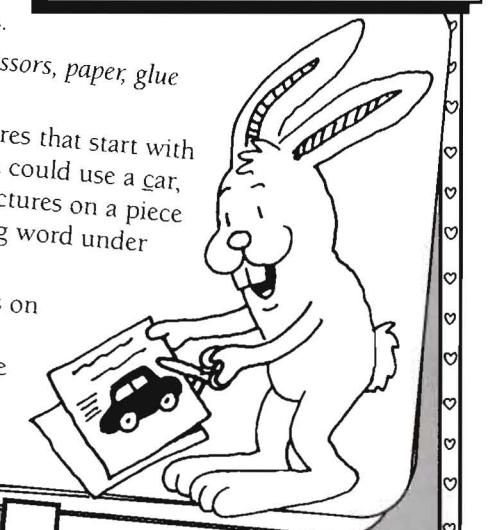

## SCIENCE

Have your child pretend she is a magnet. Can she find three things she would stick to (soup can, paper clip)? Can she think of three things she wouldn't stick to (crayon, comb)? She could use a refrigerator magnet to check her answers.

## Refrigerator Poster

Just hang your *Recipes* poster on the refrigerator and sneak in an activity when you have a few minutes. These fun activities will help develop school success and positive behavior. Check off each box as you complete the "recipe."

## SOCIAL STUDIES

Ask your youngster to look up your state flower in an encyclopedia. Let him draw the flower on paper and cut it out.

Tape on a drinking straw "stem." He can make a bouquet by adding flowers from states he would like to visit.

# Recipes for Success

Practical Activities to Help Your Child Succeed

## WRITING Stories with a twist

Encourage your youngster to stretch her writing muscles by giving stories a new twist.

**Ingredients:** favorite story, paper, pencil

Together, read one of your child's favorite stories, such as "Goldilocks and the Three Bears." When you finish, work together to rewrite the story with a different setting. Perhaps it could take place in another country or in the middle of a big city. Ask your youngster to think about how the setting will change the story. For instance, If the three bears live in an apartment, how will Goldilocks get inside?

Invite your child to share her new story with the rest of the family at dinnertime.

## Congratulations!

We finished \_\_\_\_\_ activities together on this poster.

Signed (parent or adult family member)

Signed (child)

## DIVISION

A newborn elephant weighs about 240 pounds. Ask your child how many of him it would take to equal an elephant's weight. Let him weigh himself, and help him divide his weight into 240. Also, have him compare an elephant's weight to other objects. For example, how many 5-lb. bags of sugar equal a baby elephant?

## PATTERNS

Understanding patterns helps kids with math skills and coding. Try this. Ask your youngster, "What comes next in this pattern? The pattern is paper clip, pencil, paper clip, pencil." Have her line up the objects to show her answer.

## HISTORY

Go to the library together and check an almanac for facts from the year you were your child's age (the cost of a stamp, who was president). Look through old pictures for toys and other things you used. What does your youngster use that wasn't around when you were her age?

## Character Corner

### RESPONSIBILITY

Have your child list his responsibilities. Examples: "Do my homework." "Feed the dog." Then, discuss the duties of others, such as teachers or police officers. Talk about what happens when responsibilities aren't taken care of. What if the police officers decided not to direct traffic when the traffic light broke?

### INDEPENDENCE

Teach your youngster a new skill like how to fix her own lunch or lay out her clothes for school the next day. She will gain a sense of accomplishment when she doesn't have to ask you for help.

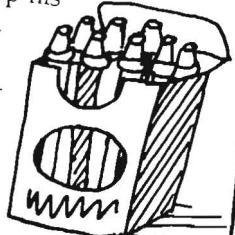

### GIVING

Instead of buying gifts, encourage your child to give "tickets." They might be good for playing a game with a sibling or helping a parent with housework, for example. He can draw the tickets on paper and decorate them with markers.

### VOCABULARY

Open a box of crayons and ask your youngster to make up his own names for the colors. Encourage him to think about what objects or feelings the colors bring to mind. Examples: sunshine yellow, meadow green, stop sign red.

# EducationQuest Foundation

# College Planning Bulletin

*A monthly college planning guide for Nebraska high school students*

March 2018

---

## Wrapping up your senior year

Seniors...stay on track to college by completing these second-semester tasks:

**Complete the financial aid process.** By now, you should have filed your FAFSA (Free Application for Federal Student Aid). If you haven't, apply at [fafsa.gov](https://fafsa.gov).

**Compare financial aid award notifications.** The colleges you listed on your FAFSA will send you notifications detailing the financial aid they're offering. Compare the notifications to determine which school provides the best package.

**Watch your grades.** If you slack off and get poor grades, your college admission could be revoked.

**Apply for scholarships.** See [ScholarshipQuest](#) at [EducationQuest.org](#) to find Nebraska-based scholarships and a list of national scholarship sites.

**Make your final college selection.** Notify the other colleges so they can take you off their mailing list.

**Be aware of deadlines** to accept financial aid and college admission offers, submit your housing deposit, and register for new-student orientation.

---

## Juniors...it's time to narrow your college choices.

Narrow your college choices soon to prepare for these upcoming activities:

**ACT college entrance exam.** When you take the exam this spring, you'll be asked to provide a list of colleges that should receive your score.

**Completion of the FAFSA** early next fall. You and your parents can complete the FAFSA beginning October 1 of your senior year. The colleges you list on the form will receive the results.

**Apply2College Campaign.** Early next fall, it will be time to apply to your top college choices. Many high schools will participate in the [Apply2College campaign](#) during which seniors get help during the school day with college applications.

---

## Campus visits will help you narrow your choices

Your spring break is a perfect time to visit schools that interest you. Schedule your visits at least two weeks in advance and be prepared with [questions to ask](#). Find more tips in the ["Selecting a College" section](#) at [EducationQuest.org](#).

**Check out these college-search resources at [EducationQuest.org](#)**

- ["About Nebraska Colleges"](#) provides cost and contact information for Nebraska colleges.
- [College Profiles](#) has information about colleges in Nebraska and across the country.

---

## Go on a scavenger hunt and you might win \$500 for college

Apply by March 31 for EducationQuest's \$500 Scavenger Hunt Scholarship. Here's how it works:

1. If you haven't already, complete a profile in [ScholarshipQuest](#) at [EducationQuest.org](#).  
*ScholarshipQuest* is a scholarship search tool with over 2,000 Nebraska-based awards.
2. If you're a Nebraska resident in grades 9-12, you'll see the *EducationQuest Scavenger Hunt Scholarship* as one of the scholarships you're eligible to apply for.
3. "Scavenge" around the EducationQuest website to find answers to questions in a survey.

EducationQuest will draw a winner from those who answer all questions correctly. The winner will receive \$500 to invest in a [NEST 529 College Savings Plan](#) account.

---

## March "To Do" List

### Seniors

- If you haven't already, [complete your FAFSA](#)!
- Expect financial aid award notifications.
- Continue applying for [scholarships](#).

### Juniors

- [Register](#) by March 9 for the April 14 ACT.
- [Register](#) by April 6 for the May 5 SAT.
- Schedule campus visits.
