The Cats Out of the Bag!

From the Principal's Desk

It's hard to believe that we have less than one month of school until summer break! As the school year winds down we just wanted to remind parents that we still have some testing that is going to take place and please encourage your child to do their best as these tests are extremely important. We also have lots of activities, contests, and banquets coming up. Please check the calendar on the school website as it changes and additions are made as new information arises. You can also find out the exciting things that take place at Callaway Public Schools on our school's Facebook page. As summer is approaching please encourage your child to keep reading over the summer, 30 minutes a day keeps them on track so they are not behind when school starts in the fall.

That's a Wrap on FFA 2018-19

This year has been a very good year for our Callaway FFA Chapter. The 2019 members: Shelby Curlile (7), Tesa Pandorf (7), Eli Eggleston (8), Nadeema Haidle (8), Grant Hrupek (8), Matthew Mannon (8), Taylor Ross (8), Abby Stallbaumer (8), Heidi Donegan (9), Megan Donegan (9), Emalee Glendy (9), Owen Stallbaumer (9), Dalton Kunkee (10), Calyn Laible (10), Reagan Ross (10), Cody Erstrom (11), Trevor Ross (11), Kalen Dockweiler (12), Adrianna Hild (12), Garrett Hrupek (12), Weston Kunkee (12), and Atlynn Witthuhn (12).

Throughout the year, they competed at numerous competitions including range judging, livestock judging, land judging, etc. Many awards were earned throughout the year also. Those include State Degrees, Chapter Degrees, Greenhand Degrees, Discovery Degrees, Numerous Contest Placings, and Nationwide FFA Chapter Tribute. At the beginning of April, 18 kids traveled to Lincoln for State FFA competition. Those pictured are those who attended. Many awards were earned while they were there. The Environmental & Natural Resources Team, who were Dakota Erstrom, Heidi Donegan, Adrianna Hild, and Atlynn Witthuhn, placed 22nd of 114. The Meats Evaluation Team, who were Trevor Ross, Dalton Kunkee, Weston Kunkee, and Kalen Dockweiler, placed 38th of 104. The Nursery & Landscape Team, who were Garrett Hrupek, Kalen Dockweiler, Weston Kunkee, and Adrianna Hild, placed 7th of 44. The Livestock Evaluation Team (Senior Division), who were Owen Stallbaumer, Atlynn Witthuhn, Reagan Ross, and Heidi Donegan, placed 16th of 50. The Junior High Quiz Bowl team placed 3rd overall. They fought hard, but unfortunately lost in sudden death. Participants: Jocelyn Bailey, Grant Hrupek, Lauryn Johnson, Matthew Mannon, Ava Pandorf, Kaden Paulsen, Taylor Ross, and Abby Stallbaumer. A big highlight for seniors was getting recognized on stage during Friday's evening session. Senior FFA members received their State FFA Degree, which is the highest degree at the highschool level one can receive. These four members are the first to receive this recognition of the Callaway's FFA Chapter: Kalen Dockweiler, Garrett Hrupek, Weston Kunkee, and Atlynn Witthuhn. On Tuesday, April 16, the FFA members put on an end of the year banquet. At this banquet, new officers were assigned. 2019-2020 Callaway FFA officers: President- Dalton Kunkee, Vice President- Trevor Ross, Secretary- Heidi Donegan, Treasurer- Owen Stallbaumer, Reporter- Calyn Laible, Sentinel- Reagan Ross, and Parliamentarian- Lila Bloomer. Mrs. Chytka says, "I expect above and beyond effort from the 2019-2020 Officer Team. We have a lot of new and young officers, but they are all great leaders. Each of the officers will bring many different skills to the group, providing the opportunity of a successful year. I look forward to see them step up and putting their leadership skills to good use." Next year is expecting to be a great year as well. They have some main goals for their chapter: 1. Add more members to our chapter. 2. Have more members participate in speaking and career contests. 3. Attend more leadership conferences. 4. Place in LDE's/CDE's at State to qualify for Nationals. And 5. Give back to our community. Congratulations to our new officers, congratulations to our state competitors, and good luck next year!

Golf 2019

Golf isn't everyone's sport, but this year seems to be the year! We have 13 people out for golf! Colby Smith, Tayten Eggleston, Garrett Hrupek, Dane Rynearson, Jesse Connell, Logan Peterson, Eli Taylor, Jake Halstead, Bryant Leeper, CJ Arnold, Brittany Ellison, Matti Stout, and Addi Hild. Having girls on the team is a new thing for South Loup, but the girls have been working just as hard as the guys.

They have the tee off from the same place and

compete with them during competitions. Coach Rush says everyone has improved and has been working very hard since the very first day. One thing they are working on is being consistent. They are hoping through hard practice that they can eliminate some mistakes. This year we have done very good at their 3 meets so far! At the Stapleton meet, Colby placed 1st and the team placed 3rd. At the South Loup meet Colby placed 2nd, Tayten placed 6th, and the team placed 3rd. At the Sutherland meet, Colby placed 3rd. They have been working very hard and hope to do amazing at future meets, conference, and districts. Good luck to our team on the rest of your year!

DARE 2019

On Monday, April 15, we had 19 students graduate from DARE! Sheriff Osmond is our local DARE advisor. The 6th graders all completed the requirements to graduate DARE. The ceremony was held in the Learning Center at 2:30 pm, followed by cake and refreshments in the lunchroom. Many parents attended. The DARE program has proven itself beneficial to our students. They learned drug and alcohol resistance strategies, communication strategies, met Aton, the drug dog, learned D2M2 when making choices, how to say no to drugs and alcohol, peer pressure and

bullying. We went and talked to the students some questions. Greeley Hrupek said her favorite part about DARE was the inside jokes they made with Sheriff Osmond. She also said that one fact that stayed with her was that many Americans die from drugs and alcohol, and she wasn't expecting that. Jozi Edgington said that she thinks it is very beneficial. It keeps it in their minds that they should not do drugs and alcohol. I asked Harper Johnson if they should keep bringing it back and he said "Yes because teaching kids about drugs and alcohol can lower the chance of people doing it." When asked, Mrs. Cooksley said "I think it is beneficial to have this program and they really enjoyed it. They learn valuable skills to use today and in the future." Each week, Sheriff Osmond handed out a DARE bear to the students who participated class. They also received certificates at graduation." Congratulations to our DARE graduates!

Boys and Girls Track

By: Suzy Heusman

This track season both the boys and the girls have done very well at the meets that they have been to already. According to Coach Peterson, "The seniors on the team have done very well; Kalen Dockweiler is unbeaten in the mid-distance races. Leighton Bubak is unbeaten in the outdoors sprints. Cooper Taylor has won all distance races outdoors. Injuries have created a lack of depth, and hopefully in the next couple of weeks, we will get some injured athletes back throwing and running soon." They placed 5th at the UNK Indoor Track Meet. Both Boys and Girls placed 1st at the Elwood Meet and the South Loup Meet.
